Nursing Student Information Form / New ID Badges

It is necessary for all Students to complete this form prior to receiving a new I.D. badge. This information will be used to update old files and to create new files for Students not already in the system. All vehicle information must be completed to receive a badge. If you do not have a parking decal, then one will be issued to you. You must complete and bring this form with you on the day of your badging appointment to receive your badge.

Please call Human Resources at 440-816-8025 to schedule an appointment.

Directions to your appointment: Turn into the entrance behind the hospital off of Old Oak Boulevard (off of Bagley Road). Continue straight, passing the C parking lot and following the signs to building D. Turn left to continue to the other side of the hospital and drive straight until you see a green awning on your left (pass the garage). You may also park anywhere in that lot, or the lot up the hill that you just came from, if it is not a spot labeled "Volunteer". To locate HR, enter the building D entrance under the green awning. Then make a right down the first hallway and we are the first door on the right!

Please complete all information:

LAST NAME:		MI:	FIRST NAME:
