Imprivata ID

To protect your account, we are introducing **Imprivata ID**, a smartphone application.

Imprivata ID allows you to verify your identity by simply approving a notification on your smartphone.

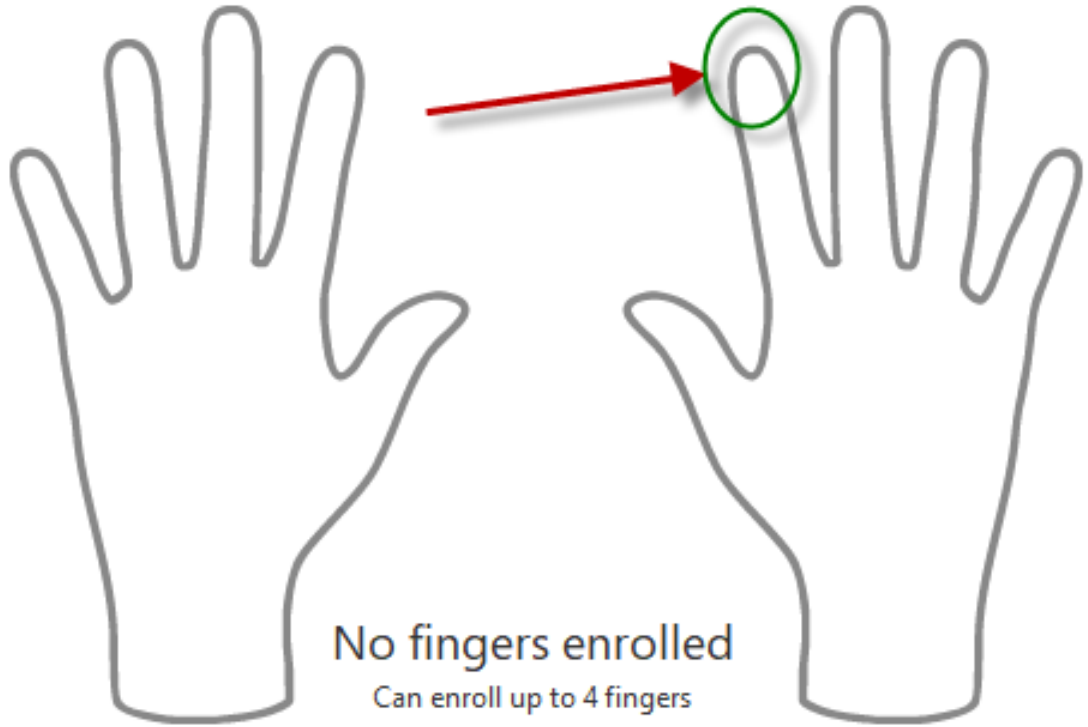
Setup time:
2 minutes

What you need:
This computer and your smartphone

Enroll Imprivata ID

Do this later

Click the finger you will be using to identify yourself



No fingers enrolled

Can enroll up to 4 fingers

Do this later

imprivata

This can be ANY finger/thumb.

Scan your **right index finger**

Place and hold, or swipe, your finger three times.

Place and hold or swipe your finger on the reader

Cancel enrolling this finger
