

# MinuteClinic FNP Student Preceptorship FAQs

- Students must be enrolled in a university with whom we already have an executed affiliation agreement in place.
- Only FNP students or students that will be dually-licensed as ANP/PNP will be considered.
- Must be enrolled in a master's or doctorate FNP program requiring clinical hours. Research/project requests are not supported unless student is an employee of CVS Health.
- Students must apply online for themselves during the appropriate timeframe (see chart above).
- Applications are reviewed and some students will be interviewed through our selection/placement process.

- Students may only submit one application per semester. Duplicate applications will not be considered.
- Appropriate rotations may include Family Practice, Adult Health, Acute Care or an elective. Verify with your school **BEFORE** applying.
- Precepting hours/trimester- minimum of 50h and maximum of 240h.
- Schools are asked to provide preceptors with courtesy documentation of precepting hours for their records.
- NP students must have a unencumbered RN license in the state in which they apply to precept.
- Students that are placed will go through a on-boarding process that includes background check, RN license check, etc at no cost to the student.
