

## Student Orientation Handbook Quiz

Read the following statements and mark True or False.	True	False
1. If I am exposed to blood or body fluid, I must go to the Emergency Department within <b>20 minutes</b> to be evaluated.		
2. I will call Code Gray ( <b>dial x1499</b> ) if any individual is showing signs of excessive force, expresses violence to self or others, aggression or hostility.		
3. My role in a code red (for smoke or fire) is to clear hallways, close doors, direct first responders, and follow directions from staff.		
4. I can help protect confidentiality of patient information by accessing <b>ONLY</b> the information I need to do my job		
5. Every patient <b>MUST</b> be asked, informed, and agree to student participation in their care team or during a clinical encounter.		
6. As a student, I am responsible for reporting risks and unsafe conditions to a staff member or my preceptor.		
7. I can <b>KEEP</b> my ID badge as a souvenir and take photos on campus.		
8. I will <b>ALWAYS</b> perform hand hygiene before putting on gloves and after removing gloves.		
9. It is okay to print patient medical records and take them home with me if I have to study or prepare for the next day as long as I do not lose them.		
10. As a student, it is <b>NEVER</b> acceptable for me to have friends or family visit my clinical site, during my clinical hours.		

I attest that I have read the Clinical Student Handbook. I understand that I must clarify my student role and responsibilities with my preceptor. I agree to comply with all OHSU Hillsboro Medical Center policies and procedures during my clinical experience.
